Subject: [Mafprogramcontacts] Past More at Four Databases...

The websites for past More at Four databases have recently been moved to the server where the current 0910 MAFPlan and MAFKids databases reside. The old web address for past MAF websites are no longer functional.

In the event that historic data is needed, please reference the web addresses in the table below. Your current log on and password will grant access to the databases on the new server.

Should a need arise related to data for children prior to the 0607 academic year, or if you have any questions regarding the new addresses, please contact KC Elander at the Office of School Readiness, 919-981-7302 for assistance.
